Infant of Prague Catholic School (IOPCS) was established in 1952. Our school embraces the mission of Jesus Christ. We are committed to preparing students to live as stewards of God's creation by providing a Christ-centered Catholic education, integrating sound Christian principles of faith, service, and leadership with strong academic programs focused on the development of the whole child.

IOPCS is the ONLY private school in Jacksonville that is accredited by AdvancED. AdvancED is the largest community of education professionals in the world. They are a non-profit, non-partisan organization that conducts rigorous, on-site external reviews of PreK-12 schools and school systems to ensure that all learners realize their full potential.

IOPCS offers elective classes in Spanish, music/band, art, physical education and computers. The school also has enrichment programs such as: AIG, LEGO Robotics, Junior National Honor Society, Math Counts, NC high school math credit, National History Bee, CDA National Education Contest, Catholic Math League, Science Olympiad and STEM club.

The athletic department at IOPCS is proud to have teams (4th - 8th grades) participating in cross country, volleyball, basketball, and cheerleading. The school is part of the EIC athletic conference. The IOPCS teams compete as the Royals.

Thank you to all parents, alumni, parishioners, business donors and friends who support our mission.

From the Principal - Jennifer Cupsta

IOPCS has a commitment of providing its students with the highest quality education, both spiritually and academically. At IOPCS we provide an atmosphere where all aspects of our student's education are embraced- intellectual, physical, emotional and spiritual.

In January 2017 a team from AdvancED visited IOPCS as part of our 5 year cycle for reaccreditation. The school scored well and received an accreditation renewal. Thank you to all the staff, families and stakeholders who assisted with the accreditation review.
